

The finishing touch for your lenses

Enhance your lenses with our premium-quality coatings for a superior visual experience. This upgrade maximises the performance of your spectacles, making everyday wear even better.

Hi-Vision Meiryō Diamond

An award-winning lens coating that provides superior clarity that lasts: featuring exceptionally low reflectance plus strong protection from scratches, smudges, UV, and glare.

Sensity

Light adaptive lenses, that change according to the light. Darken like sunglasses outdoors, stay clear indoors. Available in natural grey, brown, green and blue.

Polarised

Ultimate clarity and glare protection. Enhance colour, sharpness, and detail while eliminating blinding glare. Available with mirror and light mirror coatings.

Full Control

Full Control*

4-in-1 lens coating for the ultimate in resistance to scratches and bacterial growth for your lenses; protection from UV light and for more relaxed vision when viewing digital devices.

* Full Control consists of the following HOYA coating products: Diamond Finish, UV Control, Hi-Vision Anti-bacterial and BlueControl.

Is your vision becoming blurry up close?

Bring your world into focus with VisuPro spectacle lenses.

HOYA
FOR THE VISIONARIES

Are you noticing any of these symptoms?

Eye strain

Blurred vision

Requiring extra light,
especially when reading

Tired or sore eyes

Also headaches, fatigue, and back or neck pain can signal vision problems.

If you are over 35 and experiencing any of the symptoms mentioned above, **VisuPro lenses** could be the perfect solution for you.

Your busy life deserves clear vision

We understand how busy life can get. With work, home responsibilities, kids and hobbies – it's a lot to juggle.

Vision plays a crucial role in our overall well-being and quality of life, and your fast-paced lifestyle should not have to be held back by eye strain or visual discomfort.

The good news...

HOYA has the perfect solution for keeping your sight clear and comfortable, so you can focus on what truly matters.

VISUPRO

Introducing HOYA VisuPro

HOYA has studied vision needs and created new lenses to help with eye strain and fatigue.

VisuPro spectacle lenses are designed to give you clear, comfortable vision throughout the day, especially for close-up tasks.

Benefits of VisuPro Advanced Focus Spectacle Lenses:

- All-day comfort for your eyes
- Clear vision at all distances, especially up-close
- Extra comfort for reading and looking at digital devices
- Help for your eyes to stay strong during long periods of close-up work
- Eye strain and fatigue reduction when using digital devices¹
